

Here at 22Vision we are committed to serving the body of Christ by “Making God’s Vision for your Ministry a Reality”. We work alongside the visionary leader to remove the roadblocks that may be hindering the progression of vision.

We start by designing you a custom website and we will even setup your social media pages. We will work with you to create a strategy that will ultimately impact your outreach efforts

Want more information on all the services 22Vision offers? Please email admin@22visioncg.com or call 215-346-6732.
